THE CELLAIRIS BUNDLE

MOBILE DEVICE PROTECTION THAT MEANS BUSINESS.

Unexpected surprises are rarely a good thing for businesses. Especially when they arrive in the form of cracked screens, broken buttons or faulty charge ports. Fortunately, The Cellairis Bundle makes device protection and repairs easier and more predictable with a sturdy case, tempered glass screen protector and a Never Pay Guarantee that covers practically every scenario that could damage your device.

HERE'S WHAT'S INCLUDED:

THE RAPTURE® CASE

A slim, military drop-tested case that dramatically decreases the chances your devices will ever break in the first place.

A TEMPERED GLASS SCREEN PROTECTOR

An HD Crystal Clear screen protector that goes on bubble free and is impact, smudge and scratch resistant.

THE NEVER PAY GUARANTEE

If an accident does happen, our Never Pay Guarantee ensures you can quickly have devices repaired at absolutely no additional cost for 2 years.

THE NEVER PAY GUARANTEE COVERS: Built-in Cameras, Speakers, Screens, Microphones, Charging Ports, Headphone Ports, Buttons, Case and Screen Protector. If we cannot repair the covered items we will transfer the remaining time on the Never Pay Guarantee to a new device that you purchase.
